

## Thompson Golf Club

---

Public Notice is hereby given that the Thompson Golf Club intends to conduct the following Pesticide Control Programs during 2023:

1. To control hard to kill weeds in turf on fairways and rough within the Thompson Golf Club. The projected dates of application will be from June 1, 2023 to October 15, 2023. The herbicide to be used is:

- Killex Concentrate by Ortho

To prevent Gray and Pink Snow Mold on greens and tee boxes within the Thompson Golf Club.

The projected dates of application will be from September 30, 2023 to October 15, 2023. The fungicide to be used is:

- INSTRATA Fungicide

The public may send written submissions or objections within 15 days of the publication of the notice to the department below.
